

My walking stick

**Without my walking stick, I'd go insane!
I can't look my best, I feel undressed without my cane.**

**Must have my walking stick 'cause it may rain.
When it pours, can't be outdoors without my cane.**

**If I ever left my house without my walking stick,
Well, it would be something I could never explain.**

**Oh, the thing that makes me click on lover's lane
Would go for naught if I were caught without my cane.**
